

CONVERSATION AT THE CINEMA

ATT: Good evening. How can I help you?

Pat: Hi, good evening. My friend and I would like to watch a movie but we are not sure which one. Can you give any recommendations?

ATT: Sure. What genre are you interested in? Comedy, Drama, Horror or something else?

Pat: I think comedy would suit the best. We are just looking to watch something light-hearted

ATT: Would you be interested in animated movies?

Pat: Let me just check with my friend. I think we would prefer a non-animated one.

ATT: No worries. I would recommend Happy Gilmore then. It has recieved excellent reviews.

Pat: That sounds amazing. Two tickets for Happy Gilmore, then.

ATT: Sure, great choice. That is \$40 in total. Would you like any snacks or beverages?

Pat: No, that is fine. Thank you very much.
